

## 2025 Entering Grade 2 Summer Reading List

Fostering a love of reading, along with a sense of wonder and curiosity, supports the habits of a lifelong learner. Reading in the summer provides each student an opportunity to explore new genres, new interests, new authors, and develop new preferences while preparing for the next school year.

Many authors write for multiple age groups and audiences. As a reminder, when you are selecting books with your child, review the age recommendations for the books at your local library or bookseller if you are unsure about which titles to choose.

## 2025 Entering Grade 2 Summer Reading List

Fomentar el amor por la lectura, junto con un sentido de asombro y curiosidad, respalda los hábitos de un aprendiz de por vida. Leer en el verano brinda a cada estudiante la oportunidad de explorar nuevos géneros, nuevos intereses, nuevos autores y desarrollar nuevas preferencias, mientras se prepara para el próximo año escolar.

Muchos autores escriben para múltiples grupos de edad y audiencias. Como recordatorio, cuando esté seleccionando libros con su hijo, revise las recomendaciones de edad para los libros en su biblioteca o librería local si no está seguro de qué títulos elegir.
