August 2017

Dear Vineland/Millville/Bridgeton Public Charter School Families:

Continuing in our efforts to 'Go Green', the Vineland/Millville/Bridgeton Public Charter Schools are directing parents to our school websites (see below) in advance of the 2017-18 school year to review many important documents. These documents have been organized into several links on the front page of the website. Most of the information can be located under the 'Parents' header, while the School Calendar and HIB have their own links. All parents/guardians must carefully review the documents in their entirety. Once the documents have been reviewed, please print out the sign-off sheet that is provided, complete any requested information, and return it to your child's school office. Please complete one sign-off sheet per student.

You will have the ability to print hard copies of any policies, forms, or applications, including the free and reduced lunch application, directly from the website. **It is mandatory that you provide a signed form for each child to his/her school as proof that you have received notification of this important information.** If you are unable to print out the required sign-off sheet from home, copies can be made available to you in the main office of each school.

We are grateful for your cooperation and your timely participation in this necessary communication process. Your prompt response greatly assists us in having a smooth start to the school year.

Thank you.

Administration
